

DOMAINE DE SAINT AMAND
BORDEAUX ROSÉ

Domaine de Saint Amand
Bordeaux rosé 2025
Certified organic

Domaine de Saint Amand is situated in the village of Cambes on the banks of the Garonne river. By the remarkable terroir of its vineyard slopes, and the Domain's small size, it stands apart from other properties.

The 3.2 hectares of vines allow a very attentive approach to the cultivation of the vines as well as very careful ageing. Sarah Simon took over the Domain in 2018. She is an enthusiastic winegrower, motivated by the passionate desire to produce quality wines that are both authentic and well-balanced. The estate has been certified organic since 2024.

The rosé cuvée is a modern Bordeaux rosé : light in color, vibrant, fruity, and elegant.
